

MOUNTAIN DIABETES & ENDOCRINE CENTER

Wendy S. Lane, MD Stephen L. Weinrib, MD Kelsey Dexter, MD Michael Skrzyński, ANP

1998 Hendersonville Rd #31 Asheville, NC 28803

Telephone 828-684-9588

Fax 828-684-9626

Welcome to Mountain Diabetes and Endocrine Center! We are honored that you have chosen us for your care. We strive to provide personalized, top-quality clinical care, and we pride ourselves on the amount of time and attention we devote to each of our patients. We are also proud to offer research studies in promising new medicines and medical devices to our patients, when available.

We currently have three doctors on staff, all of whom are board certified in endocrinology, internal medicine, or both, as well as a nurse practitioner. All new patients are guaranteed to see one of our doctors for their first visit, and may alternate visits with their doctor and the nurse practitioner for any follow-up appointments.

Please keep the following clinic policies and procedures in mind as you prepare for your visits:

Office Hours: Monday to Friday 8:30AM to 5:00PM. Doors open 8:00 AM to 5:00PM

Phones Answered: 8:15AM to 5:00PM. All non-urgent calls are returned within 2 workdays, although the vast majority are returned within the same day. If you have not received a return call within 48 hours, please call back.

Arrival: Please arrive 15 minutes before your scheduled appointment to allow adequate administrative check-in and nursing intake and to avoid lost time with the doctor. We have a 24-hour cancellation policy or you may be charged a \$50.00 no-show fee.

Please bring a current insurance card to each visit. We do participate with Medicaid. However, if you do not bring a current Medicaid card, we will have to reschedule your appointment. Patients who intentionally present insurance information that is outdated, cancelled or otherwise false will be discharged from the practice and may incur legal action. We also require a picture ID to be compliant with HIPAA regulations.

Please be prepared for your visit. Always have a current med list (with exact doses) or bring your medication containers to your visit. **Patients with diabetes should bring in their blood glucose meter for download or a logbook of finger stick glucose readings.** Patients without a meter or logbook may be rescheduled, as these items greatly impact care. Please bring all lab test and radiology reports/films dealing with your endocrine condition.

Nurse Practitioner Visits: Our nurse practitioner helps manage patients with stable endocrine conditions who require minor adjustments during regular rechecks. Nurse practitioners are advanced practice nurses who are licensed by the state of NC to diagnose and treat patients and have the ability to prescribe medications, order lab tests, and order any other diagnostic study needed. To best serve our expanding patient population, we may alternate patient visits between the doctor and the nurse practitioner. Our nurse practitioner, Michael Skrzyński, ANP, is extremely knowledgeable, and he regularly discusses specific patient needs with each doctor. By expanding our practice with NP care, we can more readily meet your same day urgent care needs, should they arise. We are also able to schedule more frequent visits if necessary, which is something that has been difficult to do in the past.

MOUNTAIN DIABETES & ENDOCRINE CENTER

Wendy S. Lane, MD Stephen L. Weinrib, MD Kelsey Dexter, MD Michael Skrzyński, ANP

1998 Hendersonville Rd #31 Asheville, NC 28803

Telephone 828-684-9588

Fax 828-684-9626

Appointment Changes by MDEC: Rarely, the MD or NP with whom you are scheduled is unavailable at the time of your scheduled appointment due to unforeseen circumstances, typically related to acutely ill patients requiring urgent care. When possible, we will notify you in advance and offer to reschedule you. When this occurs the same day as your appointment, we will attempt to reschedule you with another provider (MD or NP) with our apologies.

After Hours Doctor On-Call: An on-call doctor is available after hours for any emergencies that arise. To reach him or her, call the main office number, 828-684-9588, and select the option for the doctor on call. If you have not received a return call within 1 hour, please call back.

Lab Results: Depending upon the lab test, it may take anywhere from 1-5 days for us to receive results. We will notify you of results by telephone call or letter. If you have not heard from us within 10-14 days, please call us.

Hospital Care: The MDEC physicians stopped seeing patients at Mission Hospital in 2006 in order to focus on outpatient care. The admitting physician can reach us any time for information and suggestions. When endocrine-specific care is required in-hospital, the admitting physician may contact your primary physician, in-house physician, or hospital endocrinologist. We will make every attempt to ensure communication with the hospital physicians when our input is needed.

Clinical Research: We perform clinical research for pharmaceutical companies and medical device makers, as well as perform studies we have independently designed. We have published 12 studies in peer-reviewed journals between 2002 and 2015. Most studies involve diabetes. All studies are approved by an independent ethical review board and registered with the FDA. Study participants usually receive free medication, testing supplies, medical care, and payment for time spent in the study. Please ask any of our care providers for more information if you would be interested in participating.

MDEC Website: Visit www.mountaindiabetes.com to learn more about our practice, providers, and research, as well as to find links to useful endocrine and medical informational sites. You can also provide us feedback regarding your visit.

Directions to our Office:

We are located in **Skyland Office Park**, just north of Long Shoals Road on the east side of Hendersonville Road. Skyland Office Park is across from Asheville Eye, and the entrance is between Krystal Blue Car Wash and Papa's and Beer Mexican restaurant. We are in the last building at the end of the office park.

From I-40: Take Exit 50A to Hendersonville Road. Drive 6.1 miles until you see Papa's and Beer on the left, then take the very next left into Skyland Office Park.

From I-26: Take Exit 37 to Long Shoals Rd and turn east off the ramp. Drive 1.8 miles to reach the intersection with Hendersonville Rd and get in the right-most left turn lane. Turn left, and the entrance to Skyland Office Park is 0.1 miles on the right after Krystal Blue Car Wash.

From Hendersonville Rd: we are 5.3 miles south of I-40, 2.5 miles south of the Blue Ridge Parkway, and 0.1 miles north of Long Shoals Rd.

Information and Assignment of Benefits

Please read the information below and initial:

*I am aware that if I am more than 10 minutes late for an appointment, my visit may be rescheduled.

Initials: _____

*I understand that if I am being seen for diabetes and do not bring in my blood sugar readings, my appointment may be rescheduled to later date when readings are readily available.

Initials: _____

*I understand that if I do not bring my current insurance card, my appointments may be rescheduled.

Initials: _____

*I understand that I will be responsible for all charges not paid by insurance or if insurance is not applicable.

Initials: _____

*I understand that payment is expected at the time of visit, including Medicare insured patients.

Initials: _____

*I understand that I may request copies of my medical records for my benefit or to be released to another party with signed release and payment (\$25 flat fee) according to policies of Mountain Diabetes & Endocrine Center. I also understand that any requests for medical records will be completed within one (1) week after receipt of written release and payment.

Initials: _____

*I am aware that the doctor may alternate my visits with the nurse practitioner to optimize my care.

Initials: _____

*I understand that the provider (MD or NP) with whom I am scheduled to see may change without prior notice due to unforeseen circumstances, and I may be placed with another provider for that one visit. (This occurs very uncommonly.) Refusal to keep this appointment may result in a cancellation charge.

Initials: _____

I hereby authorize the patient-care providers of Mountain Diabetes and Endocrine Center to apply for benefits on my behalf for covered services rendered by her/him or by her/his order. I request that payments from my insurance company or companies be made directly to Mountain Diabetes & endocrine Center or to the party who accepts assignment.

I permit a copy of this authorization to be used in the place of the original. This authorization may be revoked by either me or my insurance company or companies at any time in writing. I certify that the information I have reported with regard to my insurance(s) is/are correct.

Signature (patient or guardian): _____ Date: _____

Consent for Disclosure of Medical Information

Patient: _____ **DOB:** _____ **Physician:** _____

In connection with the medical services that I am receiving from MDEC and its medical staff, I hereby authorize the above named physician, and their respective agents to disclose any and/or all information concerning my medical condition and treatment, (including, but not limited to, super-confidential information concerning sexually transmitted diseases, mental health, chemical dependence, or other such information) including copies of applicable hospital and medical records to:

- A. Any third party payer covering the medical services of the patient;
- B. Other health care professionals and institutions involved in the delivery of health care to the patient;
- C. The proponent of any legally sufficient subpoena, or in response to a court order;
- D. Employees and agents of the practice, to the degree necessary to facilitate the provision of health care services and payment for such services;
- E. Pharmacies; and as otherwise required by law.

I consent to allow Mountain Diabetes and Endocrine Center to use my health information for purposes of billing, utilization review, practice quality assurance and retrospective research endeavors, as long as my identifying information is removed.

A photograph of my face may be taken if used solely for purpose of identification in medical records.

In providing information to me, information may be transmitted by any or all of the following means (initial all that apply):

Telephone Messages on house answering machine or cell phone voicemail. _____

Messages to the following family members or friends as listed below. _____

- 1. Name: _____ Relationship: _____ DOB: _____
- 2. Name: _____ Relationship: _____ DOB: _____
- 3. Name: _____ Relationship: _____ DOB: _____

Email to the following address: _____ Initials: _____

In each case, the practice shall take reasonable steps to ensure that only the minimum necessary information is disclosed in accordance with the above. I further understand that I have been given access to my physician's privacy notice and that I have had the opportunity to place special restrictions upon the consent hereby given:

Special Restrictions: _____

This consent is valid from the date executed until revoked in writing by the patient:

Signature: _____ Date: _____

HIPAA Privacy Notice

In accordance with the Health Insurance Portability and Accountability Act, patients of Mountain Diabetes and Endocrine Center are entitled to and afforded the rights to privacy regarding their health related information as set forth under applicable law, and a patient’s Protected Health Information (PHI) may only be released as authorized by this law. Mountain Diabetes and Endocrine Center will strive to ensure that patient information is used only for purposes authorized by the patient, including but not limited to patient treatment and payment operations, lawful subpoenas, sharing of information with other health care providers, and as otherwise required by law. Upon request we can provide you with a complete copy of our Privacy Policies.

Additionally, Patients have a right to review their medical records and furnish comments to their records during normal business hours, upon providing reasonable advance notice. In addition patients have the right to obtain information regarding entities to which Protected Health Information has been provided.

Moreover, patients have the right to:

1. Be informed of each breach of their PHI.
2. Decline to have PHI delivered to Health Insurers if the patient pays for services in full without submitting an insurance claim.

Should you ever have a concern or complaint, you should contact your MDEC doctor or the MDEC Administrator (Lynne Weinrib) and HIPAA Compliance Officer (Dr. Stephen Weinrib).

Diabetes Questionnaire

Please describe the diabetic issues that concern you most. (What can we do to help? Please give background on your condition or symptoms.): _____

Diabetes Background:

What year were you first diagnosed with diabetes or first told of abnormal sugars?	
How was your diabetes discovered?	
What was your weight when you were first diagnosed?	
Have you ever been hospitalized for diabetes or had diabetic ketoacidosis? If yes, when?	
Have you ever had any formal diabetes instruction from a diabetic nurse educator or nutritionist? If yes, when?	
Are you a member of the American Diabetes Association?	

Diabetes Lifestyle:

Do you exercise? What kind, how often, and how long?	
Who shops for and prepares your food?	
How many times per week do you eat out?	

MOUNTAIN DIABETES & ENDOCRINE CENTER

1998 Hendersonville Rd #31 Asheville, NC 28803

Telephone 828-684-9588

Fax 828-684-9626

Please Describe Meals (include examples of typical foods):

Breakfast	
Lunch	
Supper	
Snacks	

Diabetes Medications:

Please list your current diabetes medications.	
How were you first treated after diagnosis?	
What diabetes medications have you taken in the past? Why were they stopped?	
Does anyone prepare your diabetes medications for you? Does anyone inject your insulin for you?	
Do you ever forget to take your diabetes medications? If so, how often?	
Do you self-adjust your medications?	

Monitoring:

Do you check your blood sugar? If yes, how often?	
What glucometer do you use? How old is it?

Telephone 828-684-9588

Fax 828-684-9626

Blood Sugar Ranges:

What are the approximate ranges of your blood sugar readings at meals and at bedtime?

Pre-breakfast	Post-breakfast	Pre-lunch	Post-lunch	Pre-supper	Post-supper	Bedtime	2:00 am

Hypoglycemia (low blood sugars):

What symptoms do you experience?	
How often do they occur?	
What causes these symptoms? Can you explain them?	
How do you treat low blood sugars?	
Have you ever passed out from a low blood sugar or had a reaction so severe you required the help of someone else?	

Prevention:

Do you get a flu vaccination each fall?	
Have you had a pneumococcal vaccine in the last 15 years?	
Do you wear a medic alert medallion?	
Do you examine your feet daily?	
When was your last dilated eye exam?	
Who is your eye doctor?	
Do you take a daily aspirin?	
Do you use contraception? If so, what kind?
